Newsletter

Welcome to the latest edition of the Pewsey Children's Centre Newsletter

Welcome to our new look Children's Centre Newsletter. We will be publishing this once a term to enable us to keep you all up to date with what is happening in the Pewsey Community Area.

We are always looking for input into the services we provide so if you would like us to promote any events you are holding or know about please do let Nina or Louise know. We can also add them to our website and facebook page. We also welcome any comments about the services we currently deliver as we want to ensure we are doing the best we can for you and your family.

The whole of the Children's Centre Team are very excited as work has finally begun on our building. We will be sharing the building with Puddleducks Nursery so over the coming months we will be working hard to get to know each other and become one team to ensure we are able to give you the best service possible. Both Nina and Beverley from Puddleducks will be keeping a pictorial record of the progress so we can see how things are progressing.

Please feel free to drop in to see us in the Information Shop or at Voluntary Action Kennet in Phoenix Square, if you wish to know more about the services we provide.

If you know someone who is not currently using the services of the Children's Centre please let them see this copy of the newsletter and encourage them to get in touch with us so we can ensure they get their own copy.

A New Children's Centre for Pewsey

As Ali mentioned above we are all very excited about the brand new Children's Centre being built in Pewsey. The Centre will be on the same site as the Primary and Secondary School in Wilcot Road, Pewsey and will incorporate Puddleducks Nursery who will offer full day care for babies and children. The build started on 25th January and is currently a large hole in the ground as the photo opposite shows—we are looking forward to seeing the next stage! The Centre is due to be complete and open by October 2010, so watch this space and look for the next photo update.
